Human Rights Promotion Division,
Citizens Cooperative Department, Citizens Cooperative Bureau,
Okayama City

Okayama City aims to create a city where all people respect each other, promote diversity and live just the way they are with dignity. As part of the approach, we have launched the "Okayama City Partnership Oath System" for sexual minorities in July, 2020.

Under this system, either or both partners are sexual minorities, and both of them have pledged to cooperate with each other in their daily lives as each other's life partners, and the partners make an oath to the Mayor of Okayama City. Then the "Partnership Oath Receipt" and "Partnership Oath Proof Card" are provided by Okayama City.

*Unlike a marriage under the civil code, this system shall not ensure any legal rights or obligations.
